LANGUAGES

- Arabic : Native
- English : Fluent (C1)
- French : Fluent

TECHNICAL SKILLS

- Programming and Scripting
- Web Development
- Office Software
- Design and Multimedia:
Photoshop, Video Editing

PROFESSIONAL SKILLS

- Problem Solving
- Team Work
- Project Leading
- Brain Storming

INTERESTS & HOBBIES

- Sport
- Movies & Cinema
- Video Games
- Coding

PROFIL

Recent Master's graduate in Intelligent Information Systems with a strong passion for AI, data analysis, and web development. Skilled in developing intelligent solutions and leveraging data insights to drive innovation. Eager to apply and expand expertise in dynamic and collaborative environments.

PROFESSIONAL EXPERIENCE

Djezzy Internship | Big Data

July 2024 - August 2024

- Data analysis and dataset preprocessing
- training clustering models to predict revenues
- compare results with results to update the model

Cerist Internship | AI image processing

June 2024 – August 2024

- Segmentation of X-ray scans (CT scans).
- 3D modeling of the resulting segments.
- Implementing the model in a web app.

DEGREES

HIGH SCHOOL Diploma (BAC) with Honors

2020

Bachelor's Degree in Computer Science

University of Science and Technology Houari Boumediene | 2023

Master's Degree in Intelligent Information Systems

University of Science and Technology Houari Boumediene | 2025

CERTIFICATES

- Data Analysis with Python
- Algorithms and Data Structures
- Scientific Computing with Python
- Problem Solving
- Responsive Web Design
